Endowment Plan Approved

From your Board of Directors
(As seen in the December High on Life Newsletter)

Pledge form on back of this page.

The Board of Directors approved the following plan on November 15, 2012 to increase the existing Endowment Fund with an initial goal of \$50,000 whose earnings will become an important revenue stream for the future of the SSC. You may choose either option or combine both for your support.

Option One:

A TWO-YEAR pledge consisting of four levels of support:

Diamond Level \$200 per/mo per/family unit

Platinum Level \$100 per/mo per/family unit

Gold Level \$50 per/mo per/family unit

Silver Level \$25 per/mo per/family unit

Option Two:

This special plan enables members to give a gift of \$1000 (or more) in a year. Life-time members become exempt from future annual member dues. This option can be a lump sum or cumulative total in a calendar year.

All "pledgers" and givers in these plans will receive a specially designated name badge. There will be an annual Thanks and Recognition event for the pledgers and LifeTime members. Your names will be printed in the Newsletter, if so desired.

The \$50,000 initial endowment fund is only a beginning number, and not a final goal.
