SNOHOMISH | SENIOR | CENTER

**HAPPY PLACE**

EST. 1989 | WASHINGTON

## Free Fitness

Thanks to donations through Snohomish Giving Trees, we are able to offer complimentary fitness classes to our members for the entire month of January. The Giving Trees were created by the Historic Downtown Snohomish Association, and supported various non-profit organizations around town. Gracious community members selected tags from a tree to donate funds to our senior center to “give the gift of fitness.” If you’ve never tried one of our fitness classes, we especially hope you take advantage of this gift and join us this month. Participants exercise at their own pace and the instructors offer suggestions for modified movements during workouts. Come give a class a try, it’s never too late to improve your health!

**Movement to Music - Mondays & Wednesdays at 9:15**

**Senior Fitness - Tuesdays & Thursdays at 10:00**

**Chair Yoga - Wednesdays at 3:00**

**Walking Group - Thursdays at 11:00**

Free fitness is offered to current members. The standard rate of \$10/month for members for unlimited classes will resume in February. Guests may participate for \$5/class.

## Thank You Donors

**EXECUTIVE DIRECTOR**

Happy New Year everyone!! It is so exciting to have 2021 behind us and a new beginning in front of us. We challenge you to start new with us and step outside of your comfort zone. Maybe it's time to try one of those fitness classes you've been hearing about. Did you know fitness classes are complimentary during the entire month of January? Or maybe you're willing to learn a new card game that you always wanted to try, or dabble in watercolor, clay or diamond dots. There truly is something for everyone, it's merely up to you to take the step. We are committed to helping each of you find your place here at the center.

I want to share a story a member recently shared with me, as it is a wonderful reminder of how impactful the center can be when we give time to listen and support one another . . . This member was new to the area, with few to no friends and very unsure of how she would fit into the center family. She was a quiet and reserved woman, who could capture your attention when she spoke with her gentle southern accent. She made friends and became a familiar face around the center. Yet, she still wasn't sure where she fit in. Every time she came to the center I learned more and more about her. I gently encouraged her to volunteer here and expressed to her that she *will find her place here at the center*.

This dear lady whom I call my friend, recently moved away to be with her family in need. She shared how important it was for her to be there but needed me to know how much she loved the center and how she came to feel that she belonged here. What I thought to be a simple comment of support & encouragement, had impacted her immensely. Her friendly face is missed around here but she happily knows she's where she should be.

May you be inspired to share how the center has impacted your life with someone so that they will find their place here and feel that they belong here too.

With love,  
Happy New Year  
*Sharon*

### MySeniorCenter - Your Wallet

Many of you are familiar with our software MySeniorCenter as we utilize it with our touchscreen check in process. A new feature we're introducing is *Your Wallet*. Your Wallet is 'banked' money to use at a later time to pay for activities or events that have a charge. For example, you, or someone on your behalf, can 'deposit' money in to Your Wallet via cash, check or credit card and then future activities are paid using Wallet funds rather than individual cash, check or credit card transactions. Your Wallet will also be used to handle certain refunds rather than cash back. No value will be lost, it will just be held in Your Wallet for future use. Your Wallet is just that, it is only accessible for your use, it is individually tracked by member. Your Wallet is not actually tied with any bank accounts or credit cards; it's just a temporary place you can allocate money (through deposits or refunds) that you can use to pay for later charges for activities, trips, rides, etc. If you would like to add funds to Your Wallet ask at the front desk or ask a staff member if you have any questions.
